Chorus 1

The truth shall set you free
The truth shall set you free
There's no gold worth chasing after
There's no gold worth living for
Too many days spent just digging
Too many days spent seeking more
There's no thrill worth chasing after
There's no high worth dying for
Too many days spent just floating
Too many days spent craving more

Chorus 2

What are you looking for
What are you looking for
The answer in all the wrong places
What are you looking for

What are you looking for
Love in all the wrong faces

Chorus 1

There's nothing new over the rainbow
There's nothing new underneath the sun
Too many days spent just dreaming
Too many dreams leaving life undone
There is a way worth searching after
There is a life worth dying for
There is a hope found in the seeking
There is a truth you've never seen before

Chorus 2

Stop, watch and listen
Stop, watch and listen
Stop, watch and listen
To the Word, to the Truth
