Wayne Kirkpatrick
Caught in a world of rhyme and reason
Logic is like a thief
Robbing me of my inner healing
Questioning my belief
But in Your quiet I hear only You
Teaching me what my heart already knew
Chorus
You are my lifeline
You are my sanctuary
You are my torchlight

This is my testimony
Rivers of darkness raging through me
My spirit is underfed
Ebony dreams of carnal knowledge
Are swimming inside my head
But when doubting leads me to the water's edge
You are the One who saves me from myself
Chorus
