You tell me that you love me
you really come on strong
What about the lady that you've got at home?

Please come on in....
Please come on in....

Love me or leave me let me be lonely
I'd rather be lonely than happy with somebody else....
Somebody else.....

You might find the night time
the right time for kissin'
regretting instead of forgetting with somebody else

You tell me I'm your baby
that you dig me the most
what about the babies that you have from coast to
coast?

Please come on in....
Please come on in....

Love me or leave me let me be lonely
I'd rather be lonely than happy with somebody else....
Somebody else.....

Love me or leave me let me be lonely
You don't believe me, I love you only
I'd rather be lonely than happy with somebody else
Somebody else.....
