Still I Love You

BRIDGE

Hello, come in, I'm warm with pardon
Hang on, don't go, it just got started
Our life has grown, why now be parted?

VERSE I

What about holy?
What about virtue?
What about justice?
What about hope?
What about tomorrow?
What about tomorrow?

CHORUS I

Still I love you more than life itself
Still I love you more than life itself

VERSE II

What about trusting?
What about secrets?
What about the time spent?
What about laughter?
Why all the bullshit?
What about friendship?

CHORUS II

Still I love you more than life itself
Still I love you more than life itself

BRIDGE

Hello, come in, it just got started

VERSE III

What about holy?
What about virtue?
What about justice?
What about hope?
What about tomorrow?
What about tomorrow?

CHORUS III

Still I love you more than life itself
Still I love you more than life itself
Still I love you more than life itself
Still I love you more than life itself
