With every motion there's an ocean of emotion
Understanding all you are, and all I am
I can be patient, there's a grace
In the courageous way that you
Take your every step, the best you can
In the silence I hear the sound of your heart
And in the pages that have been
Torn from every song

I can be wrong, you're safe in your space
I can be wrong
But I think you can make, for a wonderful day
Sing a beautiful song
Yeah

With every motion there's an ocean of emotion
Understanding all you are, and all I am
In the silence I hear the sound of your heart
And in the pages that have been
Torn from every song

Yeah, I can be wrong, you're safe in your space
I can be wrong
But I think you can make, for a wonderful day
Sing a beautiful song

Yeah, I can be wrong
I can be wrong
I can be wrong
But I think you can make, for a wonderful day
Sing a beautiful song

So much to say yet and to do yet
Well, it's all right there in your hands

I can be wrong, you're safe in your space
I can be wrong
But I think you can make, for a wonderful day
Sing a beautiful song

I can be wrong, but I think you can sing
Sing a beautiful song

Yeah
