On a cold dead mountain we will wander
In a forest hidden from the sea
Under skies of black and orange thunder
In a desert riddled with disease

Never gonna be mine
Never gonna fall in line for you
Never gonna take mine
Why don't you let 'em go?
Never gonna let 'em go for you
Never gonna be mine
Take your child

I ain't hiding, I got fire in my eyes
And a burning for the blood of enemies
But my two babies ain't your soldiers
You're a liar, and too weak in the knees

Never gonna be mine
Never gonna fall in line for you
Never gonna take mine
Why don't you let 'em go?
Never gonna let 'em go for you
Never gonna be mine
Take your child

Never gonna be mine
Never gonna fall in line for you
Never gonna take mine
Why don't you let 'em go?
Never gonna let 'em go for you
Never gonna be mine
Take your child

Never gonna be mine
Take your child

(vocalizes & screams)

Never gonna be mine
Take your child

Never gonna be mine
Take your child
