It's a lonelier time, it's a lonelier place we live  
But I find it hard to sympathize  
Cause I don't want to see you  
And I don't want you to see me too  
I don't understand why, I'm not that wise

So I say baby, baby  
Won't you help me find some silence  
I keep trying, I keep on trying

I never wanted to need someone but you  
I never wanted to need someone but you  
It's the truth  
I never wanted to reach to touch the sky  
I wanna stay on the ground  
It's an ordinary day I've found  
And ordinary men abound

On every little TV  
In every echo inside my head  
Can't get away from it now  
I'm too entrenched  
And every channel I change  
And every paper I turn the page  
But the rain, it falls  
And I'm getting drenched

So I say baby, baby  
Won't you join me on this island  
The sun is shining, the sun is shining

I never wanted to need someone but you  
I never wanted to need someone but you  
It's the truth  
I never wanted to reach to touch the sky  
I wanna stay on the ground  
It's an ordinary day I've found  
And ordinary men abound

I never wanted to need someone but you  
I never wanted to need someone but you  
It's the truth

I never wanted to reach to touch the sky  
I wanna stay on the ground  
It's an ordinary day I've found  
And ordinary men abound  
Ordinary men abound  
Ordinary men abound  
Ordinary men abound  
Ordinary men abound  
Ordinary men abound  
Ordinary men abound
