It's so cold  
Let's take flight  
Well, we won't need a net  
Hold on tight  
A new ride  
Is unveiled  
And we don't need to try  
So there's no way to fail

A desperate look in our eyes  
Holding on to one another  
Holding on for all our lives  
Just letting go to discover  
Oh-h yeah  
Oh-h ooh

It's okay  
To realize  
Being born into nothing, no one and nowhere  
It's all a surprise

A desperate look in our eyes  
Holding on to one another  
Holding on for all our lives  
Just letting go to discover

That love don't need a reason

And love don't need a rhyme  
I'm standing here pleading  
While you just cover your eyes  
Yeah-ah-ah

A desperate look in our eyes  
Holding on to one another  
Holding on for all our lives  
Just letting go to discover

That love don't need a reason  
And love don't need a rhyme  
Said love don't need a reason  
And love don't need a rhyme

I'm standing here pleading  
While you just cover your eyes  
Yeah-ah-ah  
Ooh-ooh-ohh

It's so cold  
Let's take flight  
It's so cold  
Hold on tight
