Lover Why

By Jean Louis Milford - Paul Yves - John Wesley

A sign of time

I lost my life, forgot to die

Like any man, a frightened guy

I'm keeping memories inside

Of wounded love

But I know

I'm more than sad and more today

I'm eating words too hard to say

A single tear and I'm away

Away and gone

I need you

So far from hell, so far from you

'Cause heaven's hard and black and gray

You're just a someone gone away

You never said goodbye

Why, lover why ?

Why do flowers die ?

Why, lover why ?

Everytime

I hear your voice, you heard my name

You built the fire, wet the flame

I swim for life, can't take the rain

No turning back

I need you

So far from hell, so far from you

'Cause heaven's hard and black and gray

You're just a someone gone away

You never said goodbye

Why, lover why ?

Why do flowers die ?

Why, lover why ?

Why, lover why ?

Why do flowers die ?

Why, lover why ?
