You can hear my voice, but the words don't belong to  
me

You can look in my eyes, but these eyes don't tell the  
truth

From now till the end of time  
From now till the end

Me, myself and I - can you take my hand and be a part  
of me

Me, myself and I - can you be my friend and set me  
free

Me, myself and I

You can break my self-esteem, if you want to break it  
And you can always pray for me, do you want to pray?  
From now till the end of time  
From now till the end

Me, myself and I - can you take my hand and be a part  
of me

Me, myself and I - can you be my friend and set me  
free

Me, myself and I

I can hear my breath and the air flowing through my  
veins

I can feel my hate and the fear surrounding me

From now till the end of time  
From now till the end
