Alright, yeah, let's ride tonight, come on  
Just feel the music, let's move it  
Just feel the groove, let's do it  
Everybody feel jiggy tonight Then let's get funky  
Do you wanna funky music? Do you want it  
Do you wanna ride in my soul ah?  
Do you like a disco moonlight? Do you want it  
Do you like this giggle dance? Now go listen

Everybody let's groove tonight  
Just move your body, rock on to the beat  
Now dance somebody, it's on tonight  
Let's all get jiggy, like 1, 2, 3  
Do you wanna ride in my soul, take it back  
With the funky disco, I lay the track  
From the left to the right uptown we go  
You know how we do it let's bounce  
With the jiggy dance
