Hittebarn, kom hjem  
Då, ren den stÅr pÅ klem

Der er brÅ, d i ovnen lille du  
Vandet koger nu  
Baby don't be blue

Big girls don't cry  
Baby, big girls don't cry  
Big girls don't cry

Hittebarn, fortÅl  
Mig om dig og dig selv

Der er brÅ, d i ovnen lille du  
Vandet koger nu  
Baby don't be blue

Big girls don't cry  
Baby, big girls don't cry  
Big girls don't cry

Hittebarn, du fri  
Rejsen den er forbi

Der er brÅ, d i ovnen lille du  
Vandet koger nu  
Baby don't be blue

Big girls don't cry  
Baby, big girls don't cry  
Big girls don't cry
