Gone baby, gone baby  
Out of my life  
And I was wrong baby, wrong baby  
To think that we could carry on  
Like we did, boy

No baby, no baby  
I'm still not over you  
I dream baby, hope baby  
And every night I'm sending out  
An S.O.S. now

Baby, this is an emergency  
Save me from the pain inside of me  
Lately I just can't go on  
Half a girl since you've been gone  
Baby this is an emergency  
Help me ease the pain inside of me  
Tell me how can I go on  
Half a girl since you've been gone

Gone baby, gone baby  
Out of my life  
I gotta be strong baby, strong baby  
And from the heart I'm sending out  
An S.O.S. now

Baby, this is an emergency  
Save me from the pain inside of me  
Lately I just can't go on  
Half a girl since you've been gone  
Baby this is an emergency  
Help me ease the pain inside of me  
Tell me how can I go on  
Half a girl since you've been gone

Sending loud and clear  
Just to bring you near  
Somewhere in the night  
Baby can you hear?  
an S.O.S.

Baby, this is an emergency... (repeat chorus)...
