I have great expectations
I can represent this nation
I am a wild party
Rah Rah Ole

Oooh I am a late bloomer
Oooh I was ugly as child
Pimples on my pimples and scabs on my scabs
I've got pretty dimples and my face has class

I am a wild party
Rah Rah Ole

Shakin' like a human being...

Oooh and here come I in a limo
Yea I gotta crawl out through the goddamn window...
I'm rude and I'm crude but I give good thang
I've got pretty dimples and my face has class

I know I'm a lotta feathers and not much chicken
