if you have trouble/saying hello
and it's double the trouble/playing the role
then double the trouble/say good bye
so you're into something that's tough to get out of
you go love ties
in the middle of the soul
it's a very strong potion
so you're into something that's tough to get out of
you got love ties
devotion devotion
it's a very strong potion
if love ties pull/tight the heart
and you don't know/how to stop

then double the trouble/say good bye
so you're into something that's tough to get out of
you go love ties
in the middle of the soul
it's a very strong potion
so you're into something that's tough to get out of
you got love ties
devotion devotion
it's a very strong potion
so you are into something that's tough to get out of
like you Led Zep's WHOLE LOTTA LOVA
