Love is like...
Love is like...
Love is like now i'm alive
Love is like a beautiful foreign country
Almost like a taste of heaven and
Like landing on the planets
Love is like overdrive
Like i was dead and now i'm alive
Oh i'm in the tangle of love
It can make you tango 'til dawn
Oh i'm in the tangle of love
It can make you tango 'til dawn
Love is like...(love is when it takes you prisoner)
I don't mind being a hostage...(coming across a gold
mine)
Love is when it takes you as a prisoner...
(precious metals come alive)
Love is like overdrive
Like i was dead and now i'm alive
Oh i'm in the tangle of love
It can make you tango 'til dawn
Oh i'm in the tangle of love
It can make you tango 'til dawn
Dancing in the tangle of love
It can make you tango 'til dawn
Love is like...
Love is like a beautiful foreign country
There won't be any ransom
For this capture
Love is like overdrive
Like i was dead and now i'm alive
