When I'm in love
To the earths edge I go
When I'm in love
I want the sun and the moon before me
When I'm in love
You might say I want too much
When I'm in love
I want you and me beside you and me
Baby that's the hold
That's the hold you got on me
Baby that's the hold you got on me
That's the hold you got on me
Baby that's the hold you got on me
That's the hold you got on me
Baby that's the hold you got on me
That's the hold you got on me

When I'm in love
Straight for the sole I go
When I'm in love
My heart goes hot my heart goes cold
When I'm in love
Ya I breathe nervous energy

When I'm in love
I want you and me beside you and me
Baby that's the hold
That's the hold you got on me
Baby that's the hold you got on me

That's the hold you got on me
Baby that's the hold you got on me
That's the hold you got on me
Baby that's the hold you got on me
That's the hold you got on me
Baby that's the hold you got on me

I don't want us to die in a lover's dream
I don't want to us to play in a final scene
I don't want this to be a lover's dream
I'd rather freak out and make a scene

I don't want us to die in a lover's dream
I don't want to us to play in a final scene
I don't want this to be a lover's dream
I'd rather freak out and make a scene

That's the hold you got on me
Baby that's the hold you got on me
That's the hold you got on me
Baby that's the hold you got on me
That's the hold you got on me
Baby that's the hold you got

That's the hold (3x)
