say my name
like a prayer, take it back
so, so lame
makes me wanna smoke crack
say my name
as if you did believe
play the game
like it had what you need

no mercy, no, no mercy
no mercy, no, no mercy
you just don't know, you don't know what you're doing
to me
no mercy, no, no mercy
no mercy, no, no mercy
I'd let you in, I'd let you tie me up and do me

say my name
baby aims for the stars
play the game
spend your life behind bars

no mercy, no, no mercy
no mercy, no, no mercy
you just don't know, you don't know what you're doing
to me
no mercy, no, no mercy
no mercy, no, no mercy
I'd let you in, baby, I'd let you see right through me

I can't take your love
such loving would kill me
far below or high above
I don't need your cheap love

I can't take your love
such loving would kill me
far below or high above
I don't need your cheap love

I don't need your cheap love
