I want her boots  
They come right above her knees  
Black leather tights  
What a bitch what a bitch bitch bitch  
She kissed me once  
And thats why im so dumb  
Im just in love with her  
What about her ?  
I think she was just drunk drunk drunk  
I met a blonde last night  
She lived in paradise  
Tight white socks  
What a shame shame shame  
She kissed me once  
And thats why im so tarnished  
Happy like a dancing amish  
I think she was just drunk drunk drunk
