(Accoustic Guitar and Keyboard Intro)

I know we've been,
Friends Forever,
But now I think I'm feelin' somethin' totally new.
And after all this time,
I've opened up my eyes,
Now I see.
You were always with me!

Chorus:
Could it be,
You and I,
Never imagined?
Could it be,
Suddenly,
I'm fallin' for you?
(I am falling!)
Could it be?
You were right here beside me,
And I never knew?
Could it be,
That it's true,
That it's you?

(Could it be?)

That it's you!

It's kinda funny you were,
Always near.
But who would ever thought that we would end up
here?
And everytime I needed you,
You've been there for me through,
Now it's clear,
I've been waiting for you!

Chorus:
Could it be,
You and I,

Never imagined?
Could it be,
Suddenly,
I'm fallin' for you?
(I am falling!)
Could it be,
You were right here beside me,
And I never knew?
Could it be,
That it's true,
That it's you?

(Could it be?)
Ohhhhhh,
It's you!

'Cause today's the start of the rest of our lives,
I can see it in your eyes-----!
Oh, that it's real,
And it's true,
That it's just me and you?
Could it be?
(Could it be?)
That it's true,
That it's YOU-----!

Chorus:
Could it be,
You and I,
Never imagined?
Could it be,
Suddenly,
I'm fallin' for you?
(I am falling!)
Could it be,
You were right here beside me?
And I never knew?
Could it be,
That it's true,
That it's you!

(Could it be?)
Oh, yeah!
That it's you!

Could it be,
That it's true,
That it's you!
(Could it be?
That it's true?)
Could it be,

That it's true,
That it's you!
(Could it be?
That it's true?)

That it's you!
(That it's you!)

Oh, it's you-----!
