Things are crazy these days  
Time's slippin' away  
I've got the world ahead of me  
I don't wanna miss a thing

Cuz there's so much to do  
And I'm gonna get through  
Now I'm ready, yeah I'm ready  
Ready to take it on

I'm ready for you  
Are you ready for me  
I'm invincible, and I can do anything  
I'm ready to go  
Are you ready to see  
Don't you know that  
It's impossible to stop me

I hope you agree  
My philosophy  
Sometimes you gotta do  
What you gotta do

Anytime that you fall  
Just give me a call  
And I'll be ready, yeah I'm ready  
Ready to take it on

I'll be there whenever you need me

I'm ready for you  
Are you ready for me  
I'm invincible, and I can do anything  
I'm ready to go  
Are you ready to see  
Don't you know that  
It's impossible to stop me

I'll never let you down  
I'm always ready

I can, I am, everything  
I need to be  
I am, I can, nothing's gonna stop me  
I can, I am, everything  
I need to be  
I am, I can, nothing's gonna  
Nothing's gonna stop me

I'm ready for you  
Are you ready for me  
I'm invincible, and I can do anything  
I'm ready to go  
Are you ready to see  
Don't you know that  
It's impossible to stop me

I'm ready for you  
Are you ready for me  
I'm invincible, and I can do anything  
I'm ready to go  
Are you ready to see  
Don't you know that  
It's impossible to stop me

I am, I can, I'm ready for you  
I can, I am, are you ready for me  
I am, I can, I'm ready for you  
I'm invincible and I'm ready
