You know the day destroys the night
Night divides the day
Tried to run, tried to hide
Break on through to the other side
Break on through to the other side
Break on through to the other side

Chased our plea here
Dug our trea there
Still recall, time we cried
Break on through to the other side
Break on through to the other side
Break on through, yeah
All right

Everybody loves my baby
Everybody loves my baby
She get
She get
She get
She get high

I found an island in your arms
Country in your eyes
Arms that chain us, eyes that lie
Break on through to the other side
Break on through to the other side
Break on through, yeah
All right

Yeah, made the scene
Week to week
Day to day
Hour to hour
The gate is straight
Deep and wide

Break on through to the other side
Break on through to the other side
Break on through
Break on through
Break on through

Break on through
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah
