Aah, aah, aah, aah

In the midnight sun, watching colors run
Bring back electric green
When the morning comes, we'll be overdone
Time for my favorite dream, uh, huh
Bring back electric green

Time gets wasted running with the pack, go on
Toss it out the window, try and get your money back
Smoke 'em if you got 'em, bring along an extra pack
Sunrise, sunset

In the midnight sun, watching colors run
Bring back electric green
When the morning comes, we'll be overdone
Time for my favorite dream, uh, huh
Bring back electric green

Fingerprints on broken glass
That's what you get for looking back

Aah, aah, aah, aah

Here goes nothing, nothing to get buzzed about
Take a little something, something that'll sort me out
So what if it never did, doesn't mean it won't work now
Sunrise, sunset

In the midnight sun, watching colors run
Bring back electric green
When the morning comes, we'll be overdone
Time for my favorite dream, uh, huh
Time for electric green

In the midnight sun, watching colors run
Bring back electric green
(In the midnight sun, watching colors run)

When the morning comes, we'll be overdone
(Bring back electric green.)
Time for my favorite dream, uh, huh

(When the morning comes, we'll be overdone)

In the midnight sun, watching colors run

(Time for my favorite dream, uh, huh)

Bring back electric green

(Aah)

Bring back electric green

(Aah)

Bring back electric green

(Aah)

Bring back electric green

(Aah)

Bring back electric green

(Aah)
