Funny we should meet  
The three of us here on the street  
You know, I've wondered what I'd say  
Now the moment's here  
Suddenly it's crystal clear  
Some things ain't never gonna change

From where I stand  
I see an old familiar story  
Only last time I was in your shoes  
Now it's looking like it's my turn  
To be lonely and I'll tell ya  
I don't like the view

I was just like you  
For me, he left somebody, too  
And I didn't care if that was wrong  
Oh, but now I've found  
The tears you cause come back around  
And they're coming your way before too long

From where I stand  
I see an old familiar story  
Only last time I was in your shoes  
Now it's looking like it's my turn  
To be lonely and I'll tell ya  
I don't like the view

From where I stand  
We have a lot in common and  
There's a good chance  
You'll be standing one day right here

Where I stand  
I see an old familiar story  
Only last time I was in your shoes  
Now it's looking like it's my turn  
To be lonely and I'll tell ya  
I don't like the view

Where I stand  
I see an old familiar story

Only last time I was in your shoes  
Now it's looking like it's my turn  
To be lonely and I'll tell ya  
I don't like the view
