You look kind of cute when you're mad
Your eyes are pretty when you look sad
Nothing's like a salty kiss
Tasting the tears, the tears on your lips

We always forgive and forget,
It's funny how we feel no regret
Cats and dogs in black and white
Picking a fight, we're feeling alright

We should break up
'Cause baby I love when we kiss and make up
We should break up
'Cause baby I love when we kiss and make up
We should break up
'Cause baby I love when we kiss and make up
We should break up
'Cause baby I love when we kiss and make up

We should break up

Come on baby let it all out

It's easy to get caught in a round-about
Better to let off the steam
Then blowing the fuse if you know what I mean

We should break up
'Cause baby I love when we kiss and make up
We should break up
'Cause baby I love when we kiss and make up

I know we are two of a kind
I know we'll get through the bump and the grind
And how I don't care if we build it up
Just to tear it down

We should break up
'Cause baby I love when we kiss and make up
We should break up
'Cause baby I love when we kiss and make up

We should break up
