You packed in the morning and I  
Stared out the window and I  
Struggled for something to say  
You left in the rain  
Without closing the door  
I didn't stand in your way

But I miss you more than I  
Missed you before and now  
Where I'll find comfort, God knows  
'Cause you left me  
Just when I needed you most

(Left me, just when I needed you most)

Now most every morning I  
Stare out the window and I  
Think about where you might be  
I've written you letters  
That I'd like to send  
If you would just send one to me

'Cause I need you more than I  
Needed before and now

Where I'll find comfort, God knows  
'Cause you left me  
Just when I needed you most

(Left me, just when I needed you most)

[Instrumental Interlude]

You packed in the morning I  
Stared out the window and I  
Struggled for something to say  
You left in the rain  
Without closing the door  
I didn't stand in your way

Now I love you more than I  
Loved you before and now

Where I'll find comfort, God knows  
'Cause you left me  
Just when I needed you most  
Oh, yeah  
You left me  
Just when I needed you most

You left me  
Just when I needed you most
