Sometimes I wish we could go back to the beginning
Back when our fairytale had had a happy ending
Your love is immature
How'd you get in this far
My love is rated R

It's not like I was looking for a man
Instead of playing safe I took a chance
But you don't know a thing about romance
And I don't know a thing about making a boy a man

You had me fooled when we first met,
But now there's lovin' you won't get
No, no, no, no (Rated R)
I think I ran instead of walked
Now I can't wait for you to go (go, go, go)
To go, go, go

I'm taking back your ticket
If you don't act your age then you won't be admitted
Sometimes I wish we could go back to the beginning
Back when our fairytale had had a happy ending
Your love is immature
How'd you get in this far
Our love is rated R
Your love's PG-13 and baby, baby I am rated R
Baby I am rated R (You ain't no movie star)
Baby I am rated R (She's rated R)
Your love's PG-13 and baby I am rated R (Rated R)

They say it's better to have loved and lost
Than not to love at all but I don't know if that is so
I can't afford love when my heart's the cost
I gave it all to you now I don't have a thing to show

But this can't be who I met
Boy this isn't you, it can't be so
Oh no, no, no (Rated R)
I think I ran instead of walked
I think it's time for you to go (go, go, go)
To go, go, go

I'm taking back your ticket
If you don't act your age then you won't be admitted
Sometimes I wish we could go back to the beginning
Back when our fairytale had had a happy ending
Your love is immature

What?! Hold up.
You callin' me immature?
Ask around I'm rated R
Ma who you think you are
Without me you're no superstar
Move along, you be gone
Let me see you prove me wrong
You know I'm a movie star
Come back here where you belong
The academy award
Best supporting actress goes to Ms. Sozzi
Mami come on bring that Oscar home

I wish your love would grow up
The star inside you show up
Boy tell me why it's so tough
So tough for you
You should be playing your role
I need you ready to go
So come star in my show

I'm taking back your ticket
If you don't act your age then you won't be admitted
Sometimes I wish we could go back to the beginning
Back when our fairytale had had a happy ending
Your love is immature
How'd you get in this far
Our love is rated R
Your love's PG-13 and baby, baby I am rated R
Baby I am rated R (You ain't no movie star)
Baby I am rated R (Mami's rated R)
Your love's PG-13 and baby I am rated R (Rated R)
