Have you waited, waited
I've been watching you
Have you never, never
Been made a fool

Have you cried, yeah been bit
You got no pride, I've got nothing on you
Would you try, if I tried

We're two, yea we're two shades of blue
One shade of me, another of you
We're two shades of blue
you could be me and I two shades of blue
Two shades of blue

Have you needed, bled
Knees black and blue
Have you nothing, nothing
We've got nothing to lose

Have you cried, yea I have too
Never change, I've got nothing to prove
To you mind
If I just look at you

We're two

Just two shades of blue
One shade of me
Another of you
We're two shades of blue
You could be made of

Two shades of blue
Two shades of blue

have you lied, yea I have too
I'll never change, I've got nothing to prove
to you mind,
If I lay down this groove

We're two, yea we're two shades of blue

One shade of me, another of you
We're two shades of blue
you could be me and I
two shades of blue

One shade of me, another of you
We're two shades of blue
you could be me and I
Could be too
Two shades of blue
Two shades of blue
