The church is all powerful, they influence the entire world  
Amass great wealth, the pope is like the president  
The bible is a book of rules, explaining how to live  
The trails of those before, beliefs for you explore  
Priests read scripts of faith, take a vow of celibacy  
To be pure and of god, not to bring pain on man  
For centuries imposing their will, molesting the youth of the world  
Exempt from the law, papal supreme, scarring their minds  
Cure you of sin, destroy you from within, tormenting thy dreams  
Touched by an angel, blessed by the hand of god  
Victims of clerical abuse, live in fear  
They can't escape  
The rage inside, it just burns in their minds  
Pontiffs disregard the allegations, settlements are paid  
He's sent to a new congregation, to spread his morbid plague  
The cycle is repeated silence is their way, of dealing with it  
Another kid gets touched, pedophile is made  
For centuries imposing their will, molesting the youth of the world  
Exempt from the law, papal supreme, scarring their minds  
Cure you of sin, destroy you from within, tormenting thy dreams  
Touched by an angel, blessed by the hand of god  
A priest should be allowed to marry a bride  
Procreate with her, and to bare the gift of life  
Instead they swore the oath, to recite holy words  
For his mass, not to cast shame upon his loyal flock  
Someday this will be the downfall of the church  
When faith has died, who will you preach to now?
