Verse 1:

I have found a peace that ploughs on through the storm.

I have found a joy that jumps over sadness.

I have found a love that lights up every room.

I have found, I've found You!

Chorus:

You are all I want, You are all I need,

Everything my heart could hope for.

We are longing for, the Glory of the Lord,

Cause we know there's so much more!

Verse 2:

I have found a trust that teaches how to rest.

I have found a grace that guides me by the hand.

I have found a strength that stands like a mountain.

And I have found, I've found You!

Bridge:

Only You, fill my soul!
