We are longing for the Glory of the Lord,  
Cause we know there's so much more. [x3]

Let Your Glory fall down. x3

Let Your Glory fall down, x3  
Cover us, oh, cover us!

Let your Glory rain down, x3  
Cover us! [x4]

Oh let it rain!

You all I want, and You are all I need,  
Everything my heart could hope for.  
We are longing for the Glory of the Lord,  
Cause we know there's so much more.

Only You, fill my soul. x2

You fill me up. x5

Cause You all I want, You are all I need,  
Everything my heart could hope for.  
We are longing for the Glory of the Lord,  
Cause we know there's so much more. [x2]

Let Your Glory rain down. x3  
Cover us! [x8]

Let Your Glory rain down. x3  
Let it rain, let it rain, let it rain!

Come lift up your voice tonight,  
Lift up your voice in praise, oh Jesus.

Rain down, rain down, rain down, rain down!

You all I want, You are all I need,  
Everything my heart could hope for.  
We are longing for the Glory of the Lord,

Cause we know there's so much more. [x2]

And we are longing for the Glory of the Lord,  
Cause we know there's so much more.
