I live, I live for your presence  
I live for every word you speak  
Oh, Jesus you are life to me  
You are life. x3  
You are life to my heart  
Jesus

You have ordained our mouths with praise. x7  
So we lift your name, we lift your name!

And I live for Your presence,  
You are life to my heart.  
And I live for Your presence,  
From Your love I will never part.

Open up heaven!  
We will party with the angels.  
There is nothing better,  
We're ready for encounters with You! [x2]

There's nothing better,  
Nothing better.
