Take me in your arms
Hold me for a little while
Hey, baby

So I know you're leavin'
Leave me behind
I'm seein' you, darlin'
For the very last time

Show a little tenderness
Before you go
Please let me feel
Your embrace once more

Take me in your arms
Rock me, rock me
A little while
Take me in your arms
Rock me, rock me
A little while

We all must feel
Heartache sometimes
Right now, right now
I'm feelin' mine

I've tried my best to be strong
I'm not able
I'm like a helpless child
Left in a cradle
Let me know joy
Before I leave
Just once more, darlin'
Before you leave

Take me in your arms
Rock me, rock me
A little while
Take me in your arms
Rock me, rock me
A little while

I'm losin' you
And my happiness
My life is over
I must confess

I'll never, never see
Your smiling face no more
I'll never, never hear
Your knock on my door

Before you leave me
Leave me behind
Let me feel happy
Just one more time

Take me in your arms
Rock me, rock me
A little while
Oh, darling
Take me in your arms
Rock me, rock me
A little while

I said I wouldn't beg
I said I wouldn't plead
Here I am, baby
I'm beggin' you, please
Baby, please
Baby, please

Take me in your arms
Rock me, rock me a little while
Oh, darling
Rock me just a little while

Take me in your arms
Rock me, rock me a little while
Oh, darling
Rock me just a little while
