There's an endless sky  
And it's just you and I  
You're close to me  
We tried to say goodbye but  
But we can't be that strong and let it be

Now I know life's changed  
And we can't expect to have things  
Like they were before  
But you want me, I want you  
And there's nothing left for us to do  
Before the night is through now

C'mon, c'mon, c'mon  
C'mon, c'mon, c'mon  
And love me, love me  
C'mon, c'mon, c'mon  
C'mon, c'mon, c'mon  
And love me, love me

We don't close our eyes  
We're looking deep inside  
And move so slow  
Ooh, this is making love it  
Feels so good  
Oh baby, don't let go

When the morning comes  
We'll pray the dawn could never  
Break another day  
Then we'll kiss, say goodbye  
And tomorrow I'll be on my way  
But before we're through now

C'mon, c'mon, c'mon  
C'mon, c'mon, c'mon  
And love me, love me  
C'mon, c'mon, c'mon  
C'mon, c'mon, c'mon  
And love me, love me

C'mon, c'mon, c'mon

C'mon, c'mon, c'mon  
Love me  
C'mon, c'mon, c'mon  
C'mon, c'mon, c'mon  
And love me, love me

C'mon, c'mon, c'mon  
C'mon, c'mon, c'mon  
And love me, love me  
C'mon, c'mon, c'mon  
C'mon, c'mon, c'mon  
And love me, love me

C'mon, c'mon, c'mon  
C'mon, c'mon, c'mon  
And love me, love me
