We were dancing
Dancing in the dark
Sweet romancing
Something's gonna start

He stepped into the night
With his heart open wide
I was standing there
With nowhere left to hide
He looked to me like a shadow
Moving in the night
Then he took a hold of my hand
In the soft moonlight

And we were dancing
Dancing in the dark
Sweet romancing
Something's gonna start

I could hear his heartbeat
Pounding in the night
I could feel his body
Starting to be kind
With his soft red lips
Made up my mind
His soothing kiss
Was all I desired

And we were dancing
Dancing in the dark
Sweet romancing
Something's gonna start

We kissed and touched
But it wasn't enough
To stop this wheel of fire
One step at a time
And I knew he was mine
We were lost in the heat of desire

And we were dancing
Dancing in the dark
Sweet romancing
Something's gonna start

No way
No way at all
To stop us moving closer
Each look in his eyes
Made my heart beat in time
Over and over and over and over

And we were dancing
Dancing in the dark
Sweet romancing
Something's gonna start

And we were dancing
Dancing in the dark
Sweet romancing
Something's gonna start
