You say this love is a prison  
The door's open wide, you know  
You can stay or you can go  
Make up your mind  
I say this love is forever  
And I don't know why we cry  
When we can build a mountain high

And all this time we take up  
We analyse every word and every move  
You sleep on it  
I'll wake up  
I'll wake up, feelin' what I always do yeah

Heart over mind  
Say love  
Say love  
Say love, this time

You say this love is a dead end  
A road going nowhere, but oh  
You can always choose another road  
I say that this one is paved with gold  
How can I ever - how can I make you understand

That all these nights we stay divided  
We pull apart everything that makes us strong  
Why don't you try?  
Why don't you fight it?  
You can think about it, think about it all day long, but

Heart over mind  
Say love  
Say love  
Say love, this time

(Heart over mind)

Cos love breaks down all walls  
No matter how high, they all will fall

Ooh baby, really miss you  
Ooh baby, I want to be with you

Heart over mind  
Say love  
Say love  
Say love, this time
