Written by kim wilde & tony swain

Divorce - law courts
Lawyers in their new sports car
Lots of money spent
The public making judgement

He said - she said
Analyse the news you've read
Irresistible - the updates unmissable
Fighting - uniting
The press are busy writing
They analyse the word called love
But what can they be thinking of ?

They say that love means the same
All over the world
But I don't think so
Let me tell you something

I think you should know

Don't fall in love (in hollywood)
It won't fell like you know it should (in hollywood)
An you can bet it won't do ya no good
It's just not understood
I said

Scheming - screaming
This time you're gonna leave him
You want to get the message straight
Now people think you're on the take

'listen to me' - a cnn free therapy
Advice on how to live your life
There's something here that isn't right
