I got this fever that burns in my head  
And I don't want to move out of this bed  
My heart is speeding away like a fast freight train  
It's heading your way

It's racing like a river that's gone out of control  
And reaches out for something completely unknown  
It's eating through the senses and breathes in my soul  
Oh, this feeling, just got to let it go

Oh, I got so much love, oh, oh  
Do you feel the same?  
I got so much love, oh, oh  
Do you feel the same?

Well, how can I begin to  
Hide the feelings that I'm into for you?  
I got so much love inside  
I got this feeling for you

But now, the cure is about to begin  
I feel your fingers all over my skin  
And then the fire of kiss  
What a thrill, so sweet so sweet

I don't what's taking me but I want to go  
It's burnin' up [Incomprehensible] the way of life  
It's eatin' up my senses, burns in my soul  
Oh, this feeling, just got to let it show

Oh, I got so much love, oh, oh  
Do you feel the same?  
I got so much love, oh, oh  
Do you feel the same?

Well, how can I begin to  
Hide the feelings that I'm into for you?  
I got so much love inside  
I got a feeling for you

Well, how can I begin to  
Hide the love that I got into with you?

I got so much love inside  
I got a feeling for you

(Yeah, yeah, yeah)  
Do you feel the same?  
(Yeah, yeah, yeah)  
Do you feel the same?

(Oh, oh, oh)  
Do you feel the same?  
(Oh, oh, oh)  
Do you feel the same?
