Something's coming down the street something static under your feet

Never looking left or right 'cos shelljust blow you out of sight. She's never waiting on your smile - devastating what's in her style? Situation no-go zone but shell cut loose when she's alone.

She's a love blonde she's a love blonde

She's a love blonde she's got that sensuality for love. When the boys say

how you been what you doin' can we get in?" Eyes'll flash and lips will smile but shell just tease them for a while

'cos now you see her now you don't. You could be there only you won't. If you've got that

Savoir Faire" well that girl knows and she's aware. She's a love blonde she's a love blonde

. . . Well

if you fill her dreams tonight just lay back and hold on tight. She's a love blonde she's a love blonde

. . . She's a love blonde, she's a love blonde . . .
