Featuring you keep me hangin' on, another step (closer to you) and say you really want me.

(we keep in touch)
(keep me hangin' on)

Set me free why don't cha babe
Get out of my life why don't cha babe
'cause you don't really love me
You just keep me hangin'on

Set me free why don't cha babe
Get out of my life why don't cha babe
You don't really need me
But you keep me hangin'on

Why do you keep a comin' around
Playing with my heart
Why don't cha get out of my life
And let me make a brand new start
Let me get over you
The way you've gotten over me yeah

Set me free why don't cha babe
Get out of my life why don't cha babe
'cause you don't really love me
You just keep me hangin'on
No you don't really need me
You just keep me (keep me) hangin' on

You say although we broke up
You still just wanna be friends
But how can we still be friends
When seeing you only breaks my heart again
(and there ain't nothing I can do about it)

(keep me hangin' on)
(yeah)
Get out, get out of my life
And let me sleep at night
'cos you don't really love me
You just keep me (keep me) hangin'on

(keep me hangin' on)
(keep me hangin' on)
(keep me hangin' on)

Another step nearer your heart
Another step closer to knowing you
Another step nearer your heart
I'm on my way

Junior: I never thought it could happen
Being close to someone like you
Kim: but you know this isn't just a minute affair
If we make time and take a lot of care
I love everything about it
Junior: (everything)
Kim: there's such a good feel about it
Junior: and I know where I'm gonna be
If you take a step closer to me
Come on now

Both: another step nearer your heart
Another step nearer your heart

Junior: the only way to deal with affairs of the heart
Kim: you've got to jump right in, doesn't matter who starts oh
Junior: take a step nearer, come over here
Both: together we can make it tonight
Ooh ooh ooh ooh
Kim: we can make it tonight
A- a- a- another step
Another step (another step)

Both: another step nearer your heart

Another step closer to knowing you
Another step nearer your heart
I'm on my way
Another step nearer your heart
Another step closer to holding you
Another step nearer your heart
I'm on my way
I'm on my way
Junior: girl we're on our way
Both: I'm on my way

Kim: say you really want me
Say you really need me

Why you always got to be so cool
And why I always got to play your fool
You don't really know what life's about
Oh no
So baby come and let your feelings out

Say you really want me
Don't keep it to yourself
Say you really need me
Just me and no one else
Say you really love me
Ooh let me know it's true
Say you really want me
The way that I want you

(love me)
('cos you don't really love me)
(love me)
(love me)

I need somebody through the thick and the thin
'cos I know the problems of today
The time is over now for playing those games
Lets take it all the way

Say you really want me
(say you want me)
Say you really need me
(let me)
Say you really love me
(say you love me)
Say you really want me
(love me)
The way that I want you
(love me)
(love me)
Say you want me
(love me) (love me) let me
(love me)
(love me)
Say you love me
(love me)
(love me)
The way that I want you, yeah
(love me)
(love me)
Say you want me
(love me)
(love me)
Let me

(love me)
(love me)
Say you love me
