Featuring you came, you keep me hangin' on, the  
second time, can't get enough (of your love), never  
trust a stranger and stone.

All right, it's time to get up and dance a bit  
All right!

All right!

All right!

Because you came and changed the way I feel  
No-one could love you more  
Because you came and turned my life around  
No-one could take your place

Someone I know is staring at me  
And when I look into her eyes  
I see a girl that I used to be  
I hardly recognise  
Cos in the space of a year  
I've watched the old me disappear  
All of the things I once held precious  
Just don't mean anything anymore  
Cos suddenly

You came  
You  
You  
You  
Keep me hangin' on

Set me free why don't cha babe  
Get out of my life why don't cha babe  
'cause you don't really need me  
You just keep me hangin' on

You say you still care for me  
But your heart and soul needs to be free  
And now that you've got your freedom  
You wanna still hold on to me  
You don't want me for yourself

So let me find somebody else

Set me free why don't cha babe  
Get out of my life why don't cha babe  
'cause you don't really love me  
You just keep me hangin' on

Oh  
Never trust a stranger with your heart  
With your heart

Just do it...

Don't wanna know about vacations in this cheap motel  
Don't wanna know about your sea green curtains  
Cos all I want 'n' all I need is just some time with you  
Don't complicate it - just do it once again

Just go for it  
Just go for the second time  
Just go for it

Ooh

I can't get enough of your love  
Cos it's true  
Oh  
I can't help myself from crying over you  
I can't get enough of your love  
Yeah I'm dying cos it's true  
I can't get enough of your love

I'm a prisoner who can never leave  
Someone that you use anytime you please  
But I never want you to set me free  
Cos I'm addicted to this love disease

And the fever rages in my soul  
Begging you to want me and take control  
But come tommorow you'll let me go  
To find another foolish heart I know

As I face another lonely night  
A different lover will hold you tight  
It's not right

I can't help myself from crying over you  
I can't get enough of your love  
Yeah I'm dying cos it's true  
I can't get enough of your love

Never trust a stranger I knew there was a danger  
But couldn't resist  
The touch of a stranger  
The thrill of his kiss  
Cos this time  
I thought it was love  
I thought it was heaven  
Having the time of my life  
I know it's not true

Oh never trust a stranger with your heart  
Oh no, never trust a stranger with your heart

Most people wake  
From a nightmare to find  
Everything's great  
It was all in their mind  
So am I still sleeping  
Or is this all real  
If I keep on pinching myself  
Will the fear disappear, oh no

It's like a stone hanging over our heads  
Ready to blow  
Cos this is our time  
You've got to believe  
That it's yours and it's mine  
(don't you know)  
Cos this is your time  
You've got to believe  
That it's yours and it's mine  
(don't you know)
