Thinking about what a friend just said
You know nothing good comes easy
You took the thought right from my head
You only seem to tease me

Then you turn
(It on again)
Then you turn
(Me on again)
Then I learn the answers to all my questions
Now some thing's taking over

It's the thrill of it, the thrill of it
It's the thrill of it
(Turn me on)
It's the thrill of it can you feel it
The thrill of it, it's taking me over

Now what am I supposed to do
You know it can't go on much longer
Every time when I'm near you
You know the feelings so much stronger

Then you turn
(It on again)
Then you turn
(Me on again)
Then I learn the answers to all my questions
Now some thing's taking over

It's the thrill of it, the thrill of it
It's the thrill of it
(Turn me on)
It's the thrill of it can you feel it
The thrill of it

It's the thrill of it
(Turn me on)
It's the thrill of it can you feel it
It's taking me over

You know it's taking me over

You know it's taking me over

Then you turn

(It on again)

Then you turn

(Me on again)

Then I learn the answers to all my questions

Now some thing's taking over

It's the thrill of it, the thrill of it

It's the thrill of it

(Turn me on)

It's the thrill of it can you feel it

It's the thrill of it

(Turn me on)

It's the thrill of it, the thrill of it

It's the thrill of it

(Turn me on)

It's the thrill of it can you feel it

It's the thrill of it

(Turn me on)

It's the thrill of it

(Turn me on)

It's the thrill of it can you feel it
