hey boy - did you miss me so
writing me letters - almost ten in a row
whisper sweet things starring me and you
try to convince me that we could be true

so you put your mind on me
you really think I didn't see
I'd be crazy to fall in love with you

hey hey - what you gotta say
is it love or just a game we play
hey hey - what you gotta say
I would like to see us try but
you're such a lie

hey boy - what have you done for me
i'm sick of all the lies - the way you promised it to be
took a while to see what's wrong
we've been dating way too long

who you think you're dealing with
I'm not impressed by a sleazy kiss
I'd be crazy to fall in love with you

hey hey - what you gotta say
is it love or just a game we play
hey hey - what you gotta say
I would like to see us try but
you're such a lie

there was a time that we could fly away
and gravity couldn't make us stay
I never thought love would be untrue
but I know now - yeah it's clear now
you're a lie

hey hey - what you gotta say
is it love or just a game we play
hey hey - what you gotta say
I would like to see us try but

hey hey - what you gotta say

is it love or just a game we play
hey hey - what you gotta say
I would like to see us try but

you're such a lie (hey hey - what you gotta say)
you're such a lie (hey hey - just a game we play)
you're such a lie (hey hey)

I would like to see us try but
you're such a lie (hey hey - you're a lie)
you're such a lie (hey hey - you're a lie)
you're such a lie (hey hey - you're a lie)
you're such a lie
