I know what you think when you looking at me  
I know what you're doing in your fantasies  
??

I feel what you need, what you craving for  
You dying from lost and there's just one cure  
??  
Afrodisiac boy

Get it now, right away  
No strait, no delay  
Get do it, just do it  
Come and get what you see  
If you want it from me  
Get do it, just do it

Come on, we good  
I got a present for you  
Come on, get back  
??

I know that you shy and it's turning me on  
I hope that you're ready for the marathon  
Count down, just you, and me boy  
I hate ?? what's like in your ??  
Wanna find out if I'm hot or not?  
Hate me, ??

Get it now, right away  
No strait, no delay  
Get do it, just do it  
Come and get what you see  
If you want it from me  
Get do it, just do it

Come on, we good  
I got a present for you  
Come on, get back  
??

????

I know what you think when you looking at me

(Just do it)

Get it now, right away  
No strait, no delay  
Get do it, just do it  
Come and get what you see  
If you want it from me  
Get do it, just do it

Just do it  
(Just do it)  
Just do it  
Just do it  
(Just do it)  
Just do it  
Just do it  
(Just do it)  
Just do it
