"Sorry Girl"

if I knew how to cry
how to release my tears
if I fell to my knees
would it keep you from going

if I learn how to talk
open my heart like a child
to be safe in your arms
would it change what you feel

I'm nothing but a sorry girl
who's living in a sorry world
showing you everything
but the girl I really am
nothing's what it seems tonight
I'm anything but cold inside
take a better look
to see that I'm not a sorry girl

if I learned how to live
free from the fear I feel
not afraid to be loved
not ashamed to be happy

if I dare to believe
open my eyes to your world
feel the sun on my face
would it change how I feel

I'm nothing but a sorry girl
who's living in a sorry world
showing you everything
but the girl I really am
nothing's what it seems tonight
I'm anything but cold inside
take a better look
to see that I'm not a sorry girl

don't wanna be a sorry girl
please see me

I'm nothing but a sorry girl
who's living in a sorry world
showing you everything
but the girl I really am
nothing's what it seems tonight
I'm anything but cold inside
take a better look
to see that I'm not a sorry girl
