When I heard your phone ring after midnight, when i saw her number on display. When I felt you lyin there beside me, you were far away. Why is it so easy to commense me? Why is it so hard to let you go. But i can't deny what I already know. Ohhh.

Chorus

I got this feeling down deep inside, I use to look away but i can't this time, yea. I'm movin on, I wish you well. i think i'm better than takin advice, i'm gonna listen to the voice inside me. It's better everybody knows, i'm gonna trust myself.

I know i'm the one for bein stupid, i know i'm the one for being blind. So in deeper in i always knew that, you were lyin yaaa. Maybe it was easier to give in, cuz i didn't want to let u go. But I can't deny what i already know. ooh.

Chorus

I got this feeling down deep inside, I use to look away but i can't this time, yea. I'm movin on, I wish you well. i think i'm better than takin advice, i'm gonna listen to the voice inside me. It's better everybody knows, i'm gonna trust myself.

Something all along tell me this is wrong, even though i couldn't let go. I just gotta trust myself. Before I saw a wall now i see it all. And I know the truth now. I just gotta trust myself.

Chorus

I got this feeling down deep inside, I use to look away but i can't this time, yea. I'm movin on, I wish you well. i think i'm better than takin advice, i'm gonna listen to the voice inside me. It's better everybody knows, i'm gonna trust myself.

I gotta trust myself(i got a feelin inside)
I gotta trust myself(that i just can't hide)
I gotta trust myself-all in unison

KL-I knew it all along! Something that was wrong!
I gotta Trust Myself.
