I can't work it out
Am I in or Am I out
Am I staying Am I leaving
Whispering or screaming
Is it day or is it night
Am I wrong or Am I right
Am I dreaming Am I walking
Is it real or are you faking
Is it heaven, is it hell
Well who on earth can tell
One day were catching fire
Then freezing in the bed
Is it any wonder
What's happening in my head (3 x)

Hysteria (4 x)

Well first you say you love me
And then you want to leave
Then you say you need me
Well what should I believe
It's paradise and purgatory
That's what you're giving me
some days, I'm captured by your love
Some days you set me free
Well is it any wonder
What's rushing through my veins (3 x)

Hysteria (4 x)

Oh oh oh ... oh oh oh

One day you'll drive me crazy, drive me crazy
But I love you...
Yes, I love you...
Oh I love you...

Oh oh oh ... oh oh oh
Is it heaven, is it hell
Well who on earth can tell
One day were catching fire

Then freezing in the bed
Is it any wonder
What's happening in my head (3 x)

Hysteria (4 x)

Is it heaven, is it hell
Well who on earth can tell
One day were catching fire
Then freezing in the bed
Is it any wonder
What's happening in my head (3 x)
