Cerrone - Je Suis Music (Nico Schenetti Vs Eurythmics
Remix).

Ladis and Gentlemen
Party pepole in the place could be
Are you listen this?
Don't you know the time has come for you and me?
To understand the are coming switch
So ther is song wish the art dj will start the new year for
the next thousand years
For this switch for the good not for the worst
Cause it takes more than you and me to say
"everybody"

Raise number one had it to number two
I know and you know what to do
10-9-8-7-6-5-4-3-2
Are you readyyyyyyy??!?!!!!!!!!!!!!!!!!!!!!!!!

We all feel the pain
Is it necessary?
When we feel the pain
Better stick together
Music is the way
To releave the pressure
Music "on the way"
Do you get the message?
