Mer De Noms

1: The Hollow

Run desire run  
Sexual being  
Run him like a blade  
To and through the heart  
No conscience  
One Motive  
Cater to the hollow

Screaming feed me here  
Fill me up again  
Temporarily pacify this hungering  
So grow  
Libido throw  
Dominoes of indiscretions down  
Falling all around  
In cycles  
In circles  
Constantly consuming  
Conquer and devour

Cause it's time to bring the fire down  
Bridle all this indiscretion  
Long enough to edify  
And permanently fill this hollow

Screaming feed me here  
Fill me up again  
Temporarily pacifying

Feed me here  
Fill me up again  
Temporarily pacifying

2: Magdalena

Overcome by your Moving temple Overcome by this  
Holiest of altars So pure So rare To witness such an  
earthly goddess That I've lost my self control Beyond  
compelled to throw this dollar down before your Holiest

of altars I'd sell My soul My self-esteem a dollar at a time One chance One kiss One taste of you my magdalena I bear witness To this place, this prayer, so long forgotten So pure So rare To witness such an earthly goddess That I'd sell My soul My self-esteem a dollar at a time For one chance One kiss One taste of you my black madonna I'd sell My soul My self-esteem a dollar at a time One taste One taste One taste of you my Magdalena

### 3: Rose

Don't disturb The beast The tempermental goat The snail while he's feeding on the Rose Stay frozen, compromising What I will I am Bend around The wind silently thrown about Again I'm treading so Soft and lightly Compromising my will I am I am I will So no longer Will I Lay down Play dead Play your doe in the headlights locked down and terrified Your deer in the headlights shot down and horrified when Push comes to pull comes to shove Comes to step around this Self-destructing dance that never would've ended till I Rose, I roared aloud here I will I am. I am I will So no longer Will I Lay down Lay dead Play this Kneel down Gun-shy Martyr Pitiful I rose, I roared I will I am

### 4: Judith

You're such an inspiration for the ways That I'll never ever choose to be Oh so many ways for me to show you How the savior has abandoned you F\*ck your God Your Lord and your Christ He did this Took all you had and Left you this way Still you pray, you never stray Never taste of the fruit You never thought to question why It's not like you killed someone It's not like you drove a hateful spear into his side Praise the one who left you Broken down and paralyzed He did it all for you He did it all for you Oh so many many ways for me to show you How your dogma has abandoned you Pray to your Christ, to your god Never taste of the fruit Never stray, never break Never---choke on a lie Even though he's the one who did this to you You never thought to question why Not like you killed someone It's Not like you drove a spiteful spear into his side Talk to Jesus Christ As if he knows the reasons why He did it all for you Did it all for you He did it all for you

### 5: Orestes

Metaphor for a missing moment Pull me into your perfect circle One womb One shape One resolve Liberate this will To release us all Gotta cut away, clear away Snip away and sever this Umbilical residue that's Keeping me from killing you And from pulling you down

with me in here I can almost hear you scream Give me  
One more medicated peaceful moment One more  
medicated peaceful moment And I don't wanna feel  
this overwhelming Hostility Because I don't wanna feel  
this overwhelming Hostility Gotta cut away Clear away  
Snip away and sever this Umbilical residue Gotta cut  
away Clear away Snip away and sever this Umbilical  
residue that's Keeping me from killing you Keeping me  
from killing you

#### 6: 3 Libras

Threw you the obvious And you flew with it on your back  
A name in your recollection Down among a million, say:  
Difficult enough to feel a little bit Disappointed, passed  
over. When I've looked right through, To see you naked  
and oblivious and you don't see me Well I threw you the  
obvious, just to see if there's more behind the Eyes of a  
fallen angel, Eyes of a tragedy. Here I am expecting  
just a little bit Too much from the wounded But I see,  
See through it all, See through, And see you. So I threw  
you the obvious Do you see what occurs behind the  
Eyes of a fallen angel Eyes of a tragedy Well, oh well..  
Apparently nothing. Apparently nothing at all. You don't  
You don't You don't see me You don't You don't You  
don't see me You don't You don't You don't see me You  
don't You don't You don't see me at all

#### 7: Sleeping Beauty

Delusional I believe I can cure it all for you, dear Coax  
or trick or drive or drag the demons from you Make it  
right for you sleeping beauty Truly thought I can  
magically heal you You're far beyond a visible sign of  
your awakening Failing miserably to rescue Sleeping  
Beauty Drunk on ego Truly thought I could make it right  
If I kissed you one more time to Help you face the  
nightmare But you're far too poisoned for me Such a  
fool to think that I can wake you from your slumber That  
I could actually heal you.. Sleeping Beauty Poisoned  
and hopeless You're far beyond a visible sign of your  
awakening Failing miserably to find a way to comfort  
you Far beyond a visible sign of your awakening And  
hiding from some poisoned memory Poisoned and  
hopeless Sleeping Beauty

#### 8: Thomas

Humble and helpless Learning to pray Praying for  
visions to Show me the way Show me the way to forgive  
you Allow me to let it go Allow me to be forgiven Show  
me the way to let go Show me the way to forgive you  
Allow me to let it go Allow me to be forgiven Show me  
the way to let go Illuminate me, Illuminate me,

Illuminate me, I'm just praying for you to show me  
Where I'm to begin Hoping to Hoping to reconnect to  
you

9: Renholder  
(instrumental)

10: Thinking Of You

Lying all alone and restless unable to lose this image  
sleepless, unable to focus on anything but your  
surrender Tugging a rhythm to the vision that's in my  
head Tugging a beat to the sight of you lying So  
delighted with a new understanding Something about a  
little evil that makes that Unmistakable noise I was  
hearing Unmistakable sound that I know so well Spent  
and sighing with a look in your eye Spent and sighing  
with a look on your face like Sweet revelation sweet  
surrender sweet, sweet surrender Surrender... Tugging  
a rhythm to the vision that's in my head Tugging a beat  
to the sight of you lying So delighted with a new  
understanding Something about a little evil that makes  
that Unmistakable noise I was hearing Unmistakable  
sound that I know so well Spent and sighing with a look  
in your eye Spent and sighing with a look on your face  
like Sweet revelation sweet surrendering Sweet  
revelation sweet Thinking of you, thinking Thinking of  
you, Thinking of you, Thinking of you, thinking... Sweet  
revelation sweet surrendering Sweet revelation

11: Brena

My reflection Wraps and pulls me under healing waters  
to be Bathed in Brena Guides me Safely in Worlds I've  
never been to Heal me Heal me My dear Brena So  
vulnerable But it's alright Heal me Heal me My dear  
Brena Show me lonely and Show me openings To lead  
me closer to you My dear Brena (Feeling so) vulnerable  
But it's alright Opening to... heal... Opening to... heal...  
Heal.. Heal.. Heal... Heal me

12: Over

Been over, been over this before been over and over  
been over this before And over, been over this before  
so over this. Been over this. So over this. Been over  
this. Over this before

Thirteenth Step

"The Package"

Clever got me this far  
Then tricky got me in

Eye on what i'm after  
I don't need another friend  
Smile and drop the cliché  
'Till you think I'm listening  
I take just what I came for  
Then I'm out the door again

Peripheral on the package  
Don't care to settle in  
Time to feed the monster  
I don't need another friend  
Comfort is a mystery  
Crawling out of my own skin  
Just give me what I came for, then I'm out the door  
again

Lie to get what I came for  
Lie to get just what I need  
Lie to get what I crave  
Lie and smile to get what's mine

Eye on what i'm after  
I don't need another friend  
Nod and watch your lips move  
If you need me to pretend  
Because clever got me this far  
Then tricky got me in  
I'll take just what I came for  
Then I'm out the door again

Lie to get what I came for  
Lie to get what I need now  
Lie to get what I'm craving  
Lie and smile to get what's mine

Give this to me  
Mine, mine, mine  
Take what's mine  
Mine, mine, mine  
Take what's mine  
Mine, mine, mine

Lie to get what I came for  
Lie to get what I need now  
Lie to get what I'm craving  
Lie to smile and get what's mine

Give this to me  
Take what's mine  
Mine, mine, mine  
Take what's mine

Give this to me

Take what's mine, take what's mine, mine...  
Take what's mine, take what's mine, take what's mine,  
This is mine, mine, mine [whispered]

"Weak and Powerless"

Tilling my own grave to keep me level  
Jam another dragon down the hole  
Digging to the rhythm and the echo of a solitary siren  
One that pushes me along and leaves me so

Desperate and Ravenous  
I'm so weak and powerless over you

Someone feed the monkey while I dig in search of  
China  
White as Dracula as I approach the bottom

Desperate and Ravenous  
I'm so weak and powerless over you

Little angel go away  
Come again some other day  
The devil has my ear today  
I'll never hear a word you say  
He promised I would find a little solace  
And some piece of mind  
Whatever just as long as I don't feel so

Desperate and Ravenous  
I'm so weak and powerless over you  
Desperate and Ravenous  
I'm so weak and powerless  
Over you

"The Noose"

So glad to see you have overcome them.  
Completely silent now  
With heaven's help  
You cast your demons out  
And not to pull your halo down  
Around your neck and tug you off your cloud  
But I'm more than just a little curious  
How you're planning to go about  
Making your amends to the dead  
To the dead

Recall the deeds as if

They're all someone else's  
Atrocious stories  
Now you stand reborn before us all  
So glad to see you well

And not to pull your halo down  
Around your neck and tug you to the ground  
But I'm more than just a little curious  
How you're planning to go about  
Making your amends to the dead  
To the dead

With your halo slipping down  
Your halo slipping  
Your halo slipping down  
Your halo slipping down  
Your halo slipping down [repeated]

Your halo slipping down to choke you now

"Blue"

I didn't want to know  
I just didn't want to know  
Best to keep things in the shallow end  
Cause I never quite learned how to swim

I just didn't want to know  
Didn't want, didn't want,  
Didn't want, didn't want

Close my eyes just to look at you  
Taken by the seamless vision  
I close my eyes,  
Ignore the smoke,  
Ignore the smoke,  
Ignore the smoke

Call an optimist, she's turning blue  
Such a lovely color for you  
Call an optimist, she's turning blue  
While I just sit and stare at you

Because I don't want to know  
I didn't want to know  
I just didn't want to know  
I just didn't want

Mistook the nods for an approval  
Just ignore the smoke and smile

Call an optimist, she's turning blue  
Such a lovely color for you  
Call an optimist, she's turning blue  
Such a perfect color for your eyes  
Call an optimist, she's turning blue  
Such a lovely color for you  
Call an optimist, she's turning blue  
While I just sit and stare at you

I don't want to know

"Vanishing"

Disappear  
Disappear  
Higher  
Higher  
Into the air  
Slowly disappear  
No, no longer here

Disappear  
Disappear  
Thinner, thinner  
Into the air

Never really here  
What that never  
Like a thought brushing up against a sigh  
Floating away  
Floating away [repeated]

Vanishing like a cyan sunday  
Disappear  
Disappear  
Vanish, vanish into the air  
Slowly disappear  
Never really here

Floating away  
Floating away [repeated]

"A Stranger"

Cast the calming apple  
Up and over satellites  
To draw out the timid wild one  
To convince you it's alright  
And I listen for the whisper  
Of your sweet insanity while I formulate  
Denials of your affect on me

You're a stranger  
So what do I care  
You vanish today  
Not the first time I hear  
All the lies

What am I to do with all this silence  
Shy away, shy away phantom  
Run away terrified child  
Won't you move away you fucking tornado  
I'm better off without you  
Tearing my will down

"The Outsider"

Help me if you can  
It's just that this, this is not the way I'm wired  
So could you please,

Help me understand why  
You've given in to all these  
Reckless dark desires

You're lying to yourself again  
Suicidal imbecile  
Think about it, put it on the faultline  
What'll it take to get it through to you precious  
I'm over this. Why do you wanna throw it away like this  
Such a mess. Why would I want to watch you.

Disconnect and self destruct one bullet at a time  
What's your rush now, everyone will have his day to die

Medicated, drama queen, picture perfect, numb  
belligerence  
Narcissistic, drama queen, craving fame and all it's  
decadence

Lying through your teeth again  
Suicidal imbecile  
Think about it, put it on the faultline  
What'll it take to get it through to you precious  
Go with this, why do you wanna throw it away like this  
Such a mess. Why would I wanna watch you...

Disconnect and self destruct one bullet at a time  
What's your rush now, everyone will have his day to die

They were right about you  
They were right about you

Lying to my face again  
Suicidal imbecile  
Think about it put it on the faultline  
What'll it take to get it through to you precious  
I'm over this. Why do you wanna throw it away like this  
Such a mess, I'm over this, over this!

Disconnect and self destruct, one bullet at a time  
What's your hurry, everyone will have his day to die  
If you choose to pull the trigger, should your drama  
prove sincere,  
Do it somewhere far away from here

"Crimes"

One...two...three  
Four...five...six  
Seven...eight...nine  
Nine...nine...nine  
Ten...ten...ten...ten

"The Nurse Who Loved Me"

Say hello to the rug's topography  
It holds quite a lot of interest with your face down on it  
Say hello to the shrinking in your head  
You can't see it but you know it's there so don't neglect  
it

I'm taking her home with me all dressed in white  
She's got everything I need pharmacy keys  
She's falling hard for me I can see it in her eyes  
She acts just like a nurse with all the other guys

Say hello to all the apples on the ground  
They were once in your eyes but you sneezed them out  
while sleeping  
Say hello to everything you've left behind  
It's even more a part of your life now that you can't  
touch it

I'm taking her home with me all dressed in white  
She's got everything I need some pills in a little cup  
She's falling hard for me I can see it in her eyes  
She acts just like a nurse with all the other guys

Say hello to the rugs topography...

"Pet"

Don't fret precious I'm here, step away from the  
window  
Go back to sleep

Lay your head down child  
I won't let the boogeyman come

Counting bodies like sheep  
To the rhythm of the war drums

Pay no mind to the rabble  
Pay no mind to the rabble

Head down, go to sleep  
To the rhythm of the war drums

Pay no mind what other voices say  
They don't care about you, like I do, like I do  
Safe from pain and truth and choice and other poison  
devils,  
See, they don't give a fuck about you, like I do.  
Just stay with me, safe and ignorant,  
Go back to sleep  
Go back to sleep

Lay your head down child  
I won't let the boogeyman come  
Count the bodies like sheep  
To the rhythm of the war drums

Pay no mind to the rabble  
Pay no mind to the rabble

Head down, go to sleep to the rhythm of the war drums

I'll be the one to protect you from  
Your enemies and all your demons

I'll be the one to protect you from  
A will to survive and a voice of reason

I'll be the one to protect you from  
Your enemies and your choices son  
They're one in the same  
I must isolate you  
Isolate and save you from yourself

Swayin to the rhythm of the new world order and  
Count the bodies like sheep to the rhythm of the war  
drums

The boogeymen are coming  
The boogeymen are coming

Keep your head down, go to sleep, to the rhythm of a  
war drums

Stay with me  
Safe and ignorant  
Just stay with me  
Hold you and protect you from the other ones  
The evil ones  
Don't love you son,  
Go back to sleep

"Lullaby"

Go back to sleep...  
Go back to sleep [whispered]

"Gravity"

Lost again  
Broken and weary  
Unable to find my way  
Tail in hand  
Dizzy and clearly unable to  
Just let this go

I am surrendering to the gravity and the unknown  
Catch me heal me lift me back up to the sun  
I choose to live

I fell again  
Like a baby unable to stand on my own  
Tail in hand  
Dizzy and clearly unable to just let this go  
High and surrendering to the gravity and the unknown  
Catch me heal me lift me back up to the sun  
I choose to live, I choose to live, I choose to live

Catch me heal me lift me back up to the sun  
Help me survive the bottom

Calm these hands before they  
Snare another pill and  
Drive another nail down another  
Needy hole please release me

I am surrendering to the gravity and the unknown  
Catch me heal me lift me back up to the sun  
I choose to live, I choose to live

Annihilation"

From dehumanization to arms production,  
For the benefit of the nation or it's destruction  
Power, power, the law of the land,  
Those living for death will die by their own hand,

Life's no ordeal if you come to terms,  
Reject the system dictating the norms

From dehumanization to arms production,  
To hasten the nation towards it's destruction  
Power, power, the law of the land,  
Those living for death will die by their own hand,

Life's no ordeal if you come to terms,  
Reject the system dictating the norms

From dehumanization to arms production,  
To hasten the nation towards it's destruction  
Power, power, the law of the land,  
Those living for death will die by their own hand,

Life's no ordeal if you come to terms,  
Reject the system dictating the norms

From dehumanization to arms production,  
To hasten this nation towards it's destruction,

It's your choice, your choice, your choice, your choice,  
Peace or annihilation

"Imagine"

Imagine there's no heaven,  
It's easy if you try,  
No hell below us,  
Above us only sky,  
Imagine all the people  
Living for today...

Imagine there's no countries,  
It isn't hard to do,  
Nothing to kill or die for,  
No religion too,  
Imagine all the people  
Living life in peace...

You may say Im a dreamer,  
But Im not the only one,

I hope some day you'll join us,  
And the world will live as one.

(Imagine all the people sharing all the world)

Imagine no possessions,  
I wonder if you can,  
No need for greed or hunger,  
A brotherhood of man,  
Imagine all the people  
Sharing all the world...

You may say I'm a dreamer,  
But I'm not the only one,  
I hope some day you'll join us,  
And the world will live as one.

"(What's So Funny 'Bout) Peace Love And  
Understanding"

As I walk on through this wicked world,  
Searching for light in the darkness of insanity,  
I ask myself, Is all hope lost?  
Is there only pain, and hatred, and misery?

And each time I feel like this inside,  
There's one thing I wanna know,  
What's so funny 'bout peace, love, and  
understanding?,  
What's so funny 'bout peace, love, and understanding?

And as I walked on through troubled times,  
My spirit gets so downhearted sometimes,  
So where are the strong?,  
And who are the trusted?,  
And where is the harmony?,  
Sweet harmony

'Cause each time I feel it slipping away, just makes me  
wanna cry,  
What's so funny 'bout peace, love, and  
understanding?,  
What's so funny 'bout peace, love, and understanding?

So where are the strong?,  
And who are the trusted?,  
And where is the harmony?,  
Sweet harmony

'Cause each time I feel it slipping away, just makes me  
wanna cry,

What's so funny 'bout peace, love, and  
understanding?,  
What's so funny 'bout peace, love, and  
understanding?,  
What's so funny 'bout peace, love, and understanding?

"What's Going On"

Mother, mother,  
There's too many of you crying,  
Brother, brother, brother,  
There's far too many of you dying,  
You know we've got to find a way,  
To bring some loving here today

Father, father,  
We don't need to escalate,  
You see, war is not the answer,  
For only love can conquer hate,  
You know we've got to find a way,  
To bring some loving here today

Picket lines and picket signs,  
Don't punish me with brutality,  
Talk to me, so you can see,  
Oh, what's going on,  
What's going on,  
Yeah, what's going on,  
Ah, what's going on,

Father, father, everybody thinks we're wrong,  
But who are they to judge us?,  
Simply because our hair is long,  
You know we've got to find a way,  
To bring some understanding here today, Oh

Picket lines and picket signs,  
Don't punish me with brutality,  
Talk to me,  
So you can see,  
What's going on,  
What's going on,  
What's going on,  
What's going on,

"Passive"

"Dead as dead can be," my doctor tells me  
But I just can't believe him, ever the optimistic one  
I'm sure of your ability to become my perfect enemy  
Wake up and face me, don't play dead cause maybe

Someday I will walk away and say, "You disappoint me,"

Maybe you're better off this way

Leaning over you here, cold and catatonic  
I catch a brief reflection of what you could and might  
have been

It's your right and your ability  
To becomeâ€¦my perfect enemyâ€¦

Wake up (we'll catch you) and face me (come one  
now),

Don't play dead (don't play dead)

Cause maybe (because maybe)

Someday I'll (someday I'll) walk away and say, "You  
disappoint me,"

Maybe you're better off this way

Maybe you're better off this way

Maybe you're better off this way

Maybe you're better off this way

You're better off this; you're better off this;

Maybe you're better off!

Wake up (can't you) and face me (come on now),

Don't play dead (don't play dead)

Cause maybe (because maybe)

Someday I'll (someday I'll) walk away and say, "You  
fucking disappoint me!"

Maybe you're better off this way

Go ahead and play dead

I know that you can hear this

Go ahead and play dead

Why can't you turn and face me?

Why can't you turn and face me?

Why can't you turn and face me?

Why can't you turn and face me?

You fucking disappoint me!

Passive aggressive bullshit

"Gimmie Gimmie Gimmie"

Gimmie, Gimmie, Gimmie,

I need some more,

Gimmie, Gimmie, Gimmie, Gimmie

Don't ask what for

Sitting here like a loaded gun,

Waiting to go off,

I've got nothing to do,  
But shoot my mouth off

Gimmie, Gimmie, Gimmie, Gimmie  
I need some more,  
Gimmie, Gimmie, Gimmie, Gimmie  
Don't ask what for

I know the world's got problems,  
I've got problems of my own,  
Not the kind that can't be solved,  
With an atom bomb

Gimmie, Gimmie, Gimmie, Gimmie  
I need some more,  
Gimmie, Gimmie, Gimmie, Gimmie  
Don't ask what for

You know I'm gonna go out,  
Get something for my head,  
If I keep on doing this,  
I'm gonna end up dead

Gimmie, Gimmie, Gimmie, Gimmie  
I need some more,  
Gimmie, Gimmie, Gimmie, Gimmie  
Don't ask what for

"People Are People"

We're different colors,  
And different creeds,  
And different people,  
Have different needs,  
It's obvious you hate me,  
Though I've done nothing wrong,  
I've never even met you,  
What could I have done?

[x2]

People are people so why should it be?  
You and I shouldn't get along.  
People are people so why should it be?  
You should hate me.

You're punching and kicking,  
And you're shouting at me,  
I'm relying on your common decency,  
So far it hasn't surfaced,  
But I'm sure it exists,  
It just takes a while to travel

From your head to your fist.

I can't understand,  
What makes a man,  
Hate another man,  
Help me understand,

[x2]  
People are people,  
So why should it be?,  
You and I shouldn't get along,  
People are people,  
So why should it be,  
You Should Hate me

[x3]  
I can't understand,  
What makes a man,  
Hate another man?,  
Help me understand,

"Freedom Of Choice"

We're victims of sedition on the open sea.  
No one ever said life was free.  
Sink, swim, go down with the ship.  
Just use your freedom of choice.

I'll say it again in the land of the free  
Use your freedom of choice, freedom of choice.

In ancient Rome  
There was a pawn  
Who followed along  
And watched it fall  
He cast a stone  
He felt secure  
He felt that he would never be heard.

Freedom of choice  
It's what you've got  
Freedom of choice

You're given a voice  
You don't want it  
Seems to be the rule of thumb  
Don't be tricked by waht you see  
You've got two ways to go

I'll say it again in the land of the free:  
Use your freedom of choice, freedom of choice.

Freedom of choice  
It's what you've got  
Freedom of choice...

In ancient Rome  
There was a pawn  
Who followed along  
And watched it fall  
He cast a stone  
He felt secure  
He felt that his voice would never be heard.

Freedom of choice  
It's what you've got  
Freedom from choice  
It's what you want.

Freedom of choice -  
It's what you've got.  
Freedom from choice.  
It's what you want.

Freedom from choice  
It's what you want.  
Freedom from choice.

"Let's Have A War"

There's so many of us,  
So many of us,  
So many, there's so many, there's so many

Let's have a war,  
So you can go and die,  
Let's have a war,  
We could all use the money,  
Let's have a war,  
We need the space,  
Let's have a war,  
Clean out this place

It already started in the city,  
Suburbia will be just as easy

Let's have a war,  
Jack up the Dow Jones,  
Let's have a war,  
It can start in New Jersey,  
Let's have a war,  
Blame it on the middle-class,

Let's have a war,  
We're like rats in a cage

It already started in the city,  
Suburbia will be just as easy

Let's have a war,  
Sell the rights to the networks,  
Let's have a war,  
Let our wallets get fat like last time,  
Let's have a war,  
Give guns to the queers,  
Let's have a war,  
The enemy's within

It already started in the city,  
Suburbia will be just as easy

"Counting Bodies Like Sheep To The Rhythm Of The  
War Drums"

Don't fret precious I'm here, step away from the  
window  
Go back to sleep  
Safe from pain and truth and choice and other poison  
devils,  
See, they don't give a fuck about you, like I do.

Count the bodies like sheep  
Count the bodies like sheep

Counting bodies like sheep  
To the rhythm of the war drums

Count the bodies like sheep

Go back to sleep  
Go back to sleep

Counting bodies like sheep  
To the rhythm of the war drums

Go back to sleep  
Go back to sleep

Counting bodies like sheep  
To the rhythm of the war drums

Go back to sleep  
Go back to sleep

Counting bodies like sheep

Go back to sleep  
Go to sleep [x14]  
Go back to sleep  
Go back to sleep  
Go back to sleep

Counting bodies like sheep

Go back to sleep  
Go back to sleep

Counting bodies like sheep

Go back to sleep  
Go back to sleep

Counting bodies like sheep  
To the rhythm of the war drums

Go back to sleep  
Go back to sleep

Counting bodies like sheep  
To the rhythm of the war drums

Go back to sleep  
Go back to sleep

Counting bodies like sheep  
To the rhythm of the war drums [x2]

I'll be the one to protect you from your enemies and all  
your demons  
I'll be the one to protect you from a will to survive and a  
voice of reason  
I'll be the one to protect you from your enemies and  
your choices son  
They're one in the same, I must isolate youâ€¦  
Isolate and save you from yourself â€¦

"When The Levee Breaks"

If it keeps on raining, levee's going to break,  
If it keeps on raining, levee's going to break,  
And the water gonna come in, have no place to stay

Well all last night I sat on the levee and moan,  
Well all last night I sat on the levee and moan,  
Thinking about my baby and my happy home,

If it keeps on raining, levee's going to break,  
If it keeps on raining, levee's going to break,  
And all these people have no place to stay

Now look here mama what am I to do?,  
Now look here mama what am I to do?,  
I ain't got nobody to tell my troubles to

I works on the levee mama both night and day,  
I works on the levee mama both night and day,  
I ain't got nobody, keep the water away

Oh crying won't help you, praying won't do no good,  
Oh crying won't help you, praying won't do no good,  
When the levee breaks, mama, you got to lose

I works on the levee, mama both night and day,  
I works on the levee, mama both night and day,  
I works so hard, to keep the water away

I had a woman, she wouldn't do for me,  
I had a woman, she wouldn't do for me,  
I'm going back to my used to be

It's a mean old levee, cause me to weep and moan  
It's a mean old levee, cause me to weep and moan  
Gonna leave my baby, and my happy home

"Fiddle And The Drum"

And so once again,  
My dear Johnny, my dear friend,  
And so once again you are fighting us all,  
And when I ask you why,  
You raise your sticks and cry, and I fall,  
Oh, my friend,  
How did you come?,  
To trade the fiddle for the drum,  
You say I have turned,  
Like the enemies you've earned,  
But I can remember,  
All the good things you are,  
And so I ask you please,  
Can I help you find the peace and the star?,  
Oh, my friend,  
What time is this?,  
To trade the handshake for the fist

And so once again,  
Oh, America my friend,

And so once again,  
You are fighting us all,  
And when we ask you why,  
You raise your sticks and cry and we fall,  
Oh, my friend,  
How did you come,  
To trade the fiddle for the drum

You say we have turned,  
Like the enemies you've earned,  
But we can remember,  
All the good things you are,  
And so we ask you please,  
Can we help you find the peace and the star?,  
Oh my friend,  
We have all come,  
To fear the beating of your drum
