So long you were wrong
This is it
I'm moving on (oooh)
It's my life, can't stop me now
I'm through with you
I see the light
It feels so right

First thing I'm gonna do now that I'm over you)
Is everything you told me I couldn't do

(Chorus)

I'm gonna cut my hair
I'm gonna call my girls
Hit the club (yeah)
I'm doing it tonight yeah
I'm gonna wear that skirt
I'm staying out all night
If I want (if I want)
I'm doing it tonight, yeah

So long, I was scared
Never thought I'd make it alone
But look at me now
I found the real me inside
The woman you tried to deny
But you won't this time

First thing I'm gonna do now that I'm over you
Is everything you told me I couldn't do

(Repeat Chorus)

And it feels so good to be myself again
Doing all the crazy things that you know we should
have did
So baby don't be mad
If you see me doing my thing without you

(Repeat Chorus 2x)

Can't stop me now

Now that I'm over you

First thing I'm gonna do yeah
